

CRMYS Awards

7 YEARS IN REVIEW

2015

Cancer Prevention and Population Science Department

Conference

- SAKURA Exchange Programme in Science at University of Tokyo
- Young investigators Award at Regional Conference for Molecular Medicine

Studentship

- Awarded M(Med)Sc from University of Malaya

Drug Discovery Department

Conference

- Best Oral Presenter, 1st Malaysia Zebrafish Disease Model Workshop
- Young Investigator Award International Anatomical and Biomedical Science (IABS) conference

Cancer Immunology & Immunotherapy

Conference

- Best Oral Presentation, The NPC Research Day

Grant

- Research Grant (TWAS, Italy) (MAGED4B long peptides)

Translational Cancer Biology

Conference

- Participation Grant for EACR-OECI Conference, Precision Medicine for Cancer, Luxembourg
- UICC International Cancer Technology Transfer Fellowship
- Best Basic Science Paper (Oral presentation) at the 5th World Congress on Oral Oncology, Sao Paulo, Brazil

Academic

- Young Scientist Network-Academy of Sciences (YSN-ASM) Young Investigator Award

Genetic Counselling

Conference

- Best Oral Presentation & Young Investigator Award at the Malaysian Genetics Congress
- Best Poster Prize at kConFab Familial Cancer Conference in Australia

Societal

- Anugerah Jasa Bakti, University Of Malaya

Academic

- National Society of Genetic Counsellors US Special Interest Group Award
- Yayasan Sime Darby Academic Scholarship Recipient

2016

Cancer Prevention and Population Science Department

Conference

- AACR-Susan G Komen Scholar-in-training Award
- KBCF scholarship at the Global Breast Cancer Conference, Jeju Island, Korea
- 2nd Prize, Best Oral Presentation @ International Postgraduate Awards Seminar (InPRAS)

Studentship

- Awarded M(Med)Sc from University of Malaya

Drug Discovery Department

Conference

- Best Poster, International Conference on Natural Products, Malaysia

Cancer Immunology & Immunotherapy

Grant

- ScienceFund, (MOSTI, Malaysia) (evaluate vaccine in animal model)

Translational Cancer Biology

Conference

- Best poster award at ASCOMOS

Academic

- Co-chair The World Academy of Sciences (TWAS) Young Affiliate Network (TYAN)

Genetic Counselling

Grant

- AstraZeneca Malaysia Grant [MaGIC 1.0 Trial]

Academic

- Accredited Genetic Counsellor by Human Genetics Society of Australasia (HGSA)

2017

Genomics and Bioinformatics

Academic

- Recipient of Vienna Biocenter PhD Award

CEO

Grant

- Wellcome Trust Collaborative Science Award

Award

- Officer of the British Empire

Core Lab

Conference

- Best Poster, JCG & 15th IMPAHC, Selangor
- Second prize oral presentation, 29th ASCOMOS, Kuching Malaysia

Cancer Immunology & Immunotherapy

Grant

- Newton Ungku Omar Fund (cancer vaccine)
- Medical Research Council Global Challenges Research Fund (oral premalignant)

Conference

- Best Basic Science Paper (Oral presentation) at the 6th World Oral Cancer Congress of the International Academy of Oral Cancer

Translational Cancer Biology

Grant

- Newton Ungku Omar Fund - CRISPR

Academic

- Top Research Scientist Malaysia (TRSM) Award

Genetic Counselling

Conference

- Third prize oral presentation, 29th ASCOMOS, Kuching Malaysia
- Best Oral Presentation Award at Joint Cancer Genetic & 15th International Meeting in the Psychosocial Aspects of Hereditary Cancer (JGC & IMPAHC), KL

Academic

- Distinction in Masters in Genetic Counselling Course from University of Sydney

CRMYS Awards

7 YEARS IN REVIEW

2018

Cancer Prevention and Population Science Department

Societal

- Nominee of Women of the Future South East Asia Awards 2018

Digital Health Department

Grant

- In collaboration with our colleagues in UM and Kingston University, we received a MRC grant for ~GBP 146,000 to develop AI for MeMoSA.

CEO/CSO

Grant

- Newton Ungku Omar Fund [Breast cancer genomics]
- Newton Ungku Omar Fund [Polygenic Risk]

Societal

- Awarded the Darjah Kebesaran Datuk-Sultan Sharafuddin Idris Shah (DSIS) by the Sultan of Selangor which carries the title Datin Paduka
- Awarded an honorary Order of the British Empire from Queen Elizabeth II for her outstanding work in cancer research

Community Outreach

Publication

- The paper described the feasibility of intergration Breast cancer patient navigation programme at a state run hospital.

Genetic Counselling

Academic

- President of Genetic Counselling Society of Malaysia

Translational Cancer Biology

Conference

- YSN-ASN Young Investigator Award Malaysia (2nd runner up)- ICBMBB & MSBMB Rapid Oral Session
- Outstanding Poster Presentation, Gordon Research Conference on Nasopharyngeal Carcinoma, Hong Kong

Grant

- Global Challenges Research Fund (AI-MeMoSA)
- MOSTI eDana - Preclinical evaluation of HNC vaccine

Genomics and Bioinformatics

Conference

- Reviewer's Choice Award for Poster Presentation, Annual Meeting of the American Society for Human Genetics

2019

Cancer Prevention and Population Science Department

Award

- L'Oréal-UNESCO For Women in Science National Fellowship

Genomics and Bioinformatics

Conference

- Top Presenter award (Paper), ASCOMOS

CEO/CSO

Grant

- MSD International Grant [AUROR Trial]

Societal

- Marie Claire Amazing Women Award

Genetic Counselling

Conference

- Best Research Presentation Award, Annual Scientific Congress of Malaysian Oncological Society (ASCOMOS), Perak Malaysia

Cancer Immunology & Immunotherapy

Conference

- Top Presenter award (Research), 31st Annual Scientific Congress of Malaysian Oncological Society,
- Recipient of the 2018 JALAS International Award

Intellectual Property

- Patent on the use of MAGED4B specific peptides as cancer vaccine is granted in Malaysia.
- Patent on the use of PV1 peptide composition is granted in Taiwan is granted in Malaysia.

Studentship

- Awarded MSc from University Malaysia

Translational Cancer Biology

Studentship

- Awarded MSc from University Malaysia

Academic

- Fellow, Academy of Sciences Malaysia

Grant

- European Union for the Asi@connect project
- Recipient of the Tun Dr Siti Hasmah Mohd Ali Professorial Chair 2019 in University of Malaya
- In collaboration with our colleagues in UKM, we received a FRGS for ~RM 102,000 to evaluate a modified peptide vaccine using breast cancer cell line as a model

Community Outreach

MOU

- MoU and Launch of 2nd Pink Ribbon Centre at Hospital Queen Elizabeth II, Kota Kinabalu
- MoU and Launch of 3rd Pink Ribbon Centre at Hospital Tuanku Jaafar, Negeri Sembilan

Intellectual Property

- ORL cell lines that are uniquely derived from Malaysian oral cancer patients have been sent to many countries to accelerate research into oral cancer. So far, 21 institutes around the world use ORL cell lines to improve understanding of oral cancer.

2020

Cancer Prevention and Population Science Department

Societal

- Top40 Under40 (Prestige Magazine) Award, 2020

Community Outreach

Conference

- 3rd Prize - Oral Presentation @ 1st National Cancer Conference 2020 Institut Latihan Kementerian Kesihatan Malaysia Sungai Buloh.

Societal

- Malaysian Acumen Fellow

Translational Cancer Biology

Grant

- Newton Fund Impact Scheme (NFIS)

Academic

- International Association of Oral and Maxillofacial Pathologists (IAOP) President's Prize 2020

Genomics and Bioinformatics

Societal

- Winner of Tatler Asia Generation T award

2021

Translational Cancer Biology

Conference

- American Association of Cancer Research Global-Scholar-in-Training Award (AACR-GSITA)
- Young Scientist Programme fellowship, FAOBMB Congress 2021, New Zealand
- Best Poster Prize, FAOBMB Congress, New Zealand

Grant

- 2021 Dr. Ranjeet Bhagwan Singh Research Grant

Genetic Counselling

Grant

- AstraZeneca Global Grant (ARICA Trial)

CEO/CSO

Grant

- Pfizer International Grant [TENOR Trial]
