## CANCER RESEARCH INITIATIVES FOUNDATION

(Company No. 510087-M)

(Incorporated in Malaysia as a company  
limited by guarantee and not having a share capital)

### TRUSTEES' REPORT

The Trustees hereby submit their report together with the audited financial statements of Cancer Research Initiatives Foundation (the "Foundation") for the financial year ended 31 December 2009.

#### PRINCIPAL ACTIVITY

The principal activity of the Foundation is to receive and administer funds for cancer research purposes. There have been no significant changes in the nature of this activity during the financial year.

The Foundation is incorporated in Malaysia as a company limited by guarantee and does not have a share capital.

#### FINANCIAL RESULTS

RM

Deficit of income over expenditure for the financial year

(502,451)

#### RESERVES AND PROVISIONS

There were no material transfers to or from reserves and provisions during the financial year.

#### BOARD OF TRUSTEES

The members of the Board of Trustees who have held office during the period since the date of the last report are as follows:

Tunku Tan Sri Dato' Seri Ahmad bin Tunku Yahaya  
Toh Puan Dato' Seri Hajah Dr Aishah Ong  
Lim Siew Lian  
Abd. Hamid bin Ibrahim  
Tengku Datuk Seri Ahmad Shah Al-Haj ibni Almarhum  
Sultan Salahuddin Abdul Aziz Shah Al-Haj  
Dato' K Sekhar a/l S Krishnan

Tunku Tan Sri Dato' Seri Ahmad bin Tunku Yahaya, being over seventy years of age, retires in accordance with Section 129 of the Companies Act, 1965 and offers himself for re-appointment in accordance with Section 129(6) of the Act to hold office until the conclusion of the next Annual General Meeting of the Foundation.

Tengku Datuk Seri Ahmad Shah Al-Haj ibni Almarhum Sultan Salahuddin Abdul Aziz Shah Al-Haj and Dato' K Sekhar a/l S Krishnan retire by rotation in accordance with the Articles of Association of the Foundation at the forthcoming Annual General Meeting and, being eligible, offer themselves for re-election.

### TRUSTEES' REPORT (CONTINUED)

#### TRUSTEES' BENEFITS

During and at the end of the financial year, no arrangements subsisted to which the Foundation is a party, being arrangements with the object or objects of enabling the Trustees of the Foundation to acquire benefits by means of the acquisition of shares in, or debentures of, the Foundation or any other body corporate.

Since the end of the previous financial year, no Trustee of the Foundation has received or become entitled to receive a benefit by reason of a contract made by the Foundation or a related corporation with the Trustee or with a firm of which the Trustee is a member, or with a company in which the Trustee has a substantial interest.

#### STATUTORY INFORMATION ON THE FINANCIAL STATEMENTS

Before the income and expenditure statement and balance sheet of the Foundation were made out, the Trustees took reasonable steps:

- (a) to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of allowance for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate allowance had been made for doubtful debts; and
- (b) to ensure that any current assets, which were unlikely to realise in the ordinary course of business, their values as shown in the accounting records of the Foundation have been written down to an amount which they might be expected so to realise.

At the date of this report, the Trustees are not aware of any circumstances:

- (a) which would render the amounts written off for bad debts or the amount of allowance for doubtful debts in the financial statements of the Foundation inadequate to any substantial extent; or
- (b) which would render the values attributed to current assets in the financial statements of the Foundation misleading; or
- (c) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Foundation misleading or inappropriate.

No contingent or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Trustees, will or may substantially affect the ability of the Foundation to meet its obligations when they fall due.

**CANCER RESEARCH INITIATIVES FOUNDATION**

(Company No. 510087-M)

(Incorporated in Malaysia as a company

**TRUSTEES' REPORT (CONTINUED)**

**STATUTORY INFORMATION ON THE FINANCIAL STATEMENTS (CONTINUED)**

At the date of this report, there does not exist:

- (a) any charge on the assets of the Foundation which has arisen since the end of the financial year which secures the liability of any other person; or
- (b) any contingent liability of the Foundation which has arisen since the end of the financial year.

At the date of this report, the Trustees are not aware of any circumstances not otherwise dealt with in this report or the financial statements which would render any amount stated in the financial statements misleading.

In the opinion of the Trustees:

- (a) the results of the Foundation's operations during the financial year were not substantially affected by any item, transaction or event of a material and unusual nature; and
- (b) there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature that is likely to affect substantially the results of the operations of the Foundation for the financial year in which this report is made.

**AUDITORS**

The auditors, PricewaterhouseCoopers, have expressed their willingness to continue in office.

In accordance with the resolution of the Board of Trustees dated 31 May 2010.

#### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements:

(a) Basis of preparation

The financial statements of the Foundation are prepared in accordance with the provisions of the Companies Act 1965 and the MASB Approved Accounting Standards in Malaysia for Private Entities. The financial statements have been prepared under the historical cost convention except as disclosed in this summary of significant accounting policies.

The preparation of financial statements in conformity with the MASB Approved Accounting Standards in Malaysia for Private Entities requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the financial year. It also requires the Trustees to exercise their judgement in the process of applying the Foundation's accounting policies. Although these estimates are based on the Trustees' best knowledge of current events and actions, actual results could differ.

**CANCER RESEARCH INITIATIVES FOUNDATION**

(Company No. 510087-M)

(Incorporated in Malaysia as a company  
limited by guarantee and not having a share capital)**NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2009 (CONTINUED)****SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****(b) Donations and research grants**

Donations and research grants are recognised as income when the Foundation's right to receive payment is established.

**(c) Other income**

Interest income is recognised on a time proportion basis, taking into account the principal outstanding and the effective rate over the period to maturity, when it is determined that such income will accrue to the Company.

Income from advisory and consultancy service is recognised when the services are provided.

**(d) Property, plant and equipment**

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss.

Property, plant and equipment are depreciated on a straight line basis to write off the cost of each asset over their estimated useful lives at the following annual rates:

|                      |       |
|----------------------|-------|
| Laboratory equipment | 10.0% |
| Renovations          | 25.0% |
| Computers            | 33.3% |
| Office equipment     | 10.0% |
| Motor vehicle        | 20.0% |

The estimated useful life of renovation costs was reduced from 40 years to 4 years in the financial year ended 31 December 2008. As a result of the change, the Foundation recognised an accelerated depreciation charge of approximately RM313,794 in the financial year ended 31 December 2008.

Where an indication of impairment exists, the carrying amount of the asset is assessed and written down immediately to its recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are included in excess/(deficit) of income over expenditure.

**(e) Receivables**

Receivables are carried at amount pledged by donors less any allowance for doubtful debts. The allowance is established when there is objective evidence that the amount is not collectible according to the original terms of receivables. The amount of the allowance is the difference between the carrying amount and recoverable amount. Bad debts are written off when identified.

**NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2009 (CONTINUED)****SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****(f) Government grants**

Grants from the government are recognised at their fair value when there is a reasonable assurance that the grant will be received and the Foundation will comply with their attached conditions.

Government grants relating to costs are deferred and recognised in the income and expenditure statement over the period necessary to match them with the costs they are intended to compensate.

Government grants relating to the purchase of assets are included in non-current liabilities as deferred income and are credited to the income and expenditure statement on a straight line basis over the expected useful lives of the related assets.

**(g) Impairment of assets**

The carrying values of assets are reviewed for impairment when there is an indication that the assets might be impaired. Impairment is measured by comparing the carrying values of the assets with their recoverable amounts. The recoverable amount is the higher of the net realisable value and the value in use which is measured by reference to discounted cash flows.

An impairment loss is charged to the income and expenditure statement immediately.

A subsequent increase in the recoverable amount of an asset is treated as reversal of the previous impairment loss and is recognised to the extent of the carrying amount of the asset that would have been determined (net of amortisation and depreciation) had no impairment loss been recognised. The reversal is recognised in the income and expenditure statement immediately.

**(h) Cash and cash equivalents**

Cash and cash equivalents comprise cash and bank balances and demand deposits with original maturity of three months or less, that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

**(i) Employee benefits**

Wages, salaries, paid annual leave and sick leave, bonuses, and non-monetary benefits are accrued in the period in which the associated services are rendered by employees of the Foundation.

The Foundation's contributions to the Employees' Provident Fund, are charged to the income statement in the period to which they relate. Once the contributions have been paid, the Foundation has no further payment obligations.

**NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2009 (CONTINUED)****2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****(j) Financial instruments**

A financial instrument is any contract that gives rise to both a financial asset of one enterprise and a financial liability or equity instrument of another enterprise.

A financial asset is any asset that is cash, a contractual right to receive cash or another financial asset from another enterprise, a contractual right to exchange financial instruments with another enterprise under conditions that are potentially favourable, or an equity instrument of another enterprise.

A financial liability is any liability that is a contractual obligation to deliver cash or another financial asset to another enterprise, or to exchange financial instruments with another enterprise under conditions that are potentially unfavourable.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS  
OF CANCER RESEARCH INITIATIVES FOUNDATION**

(Company No. 510087-M)  
(Incorporated in Malaysia as a company  
limited by guarantee and not having a share capital)

**REPORT ON THE FINANCIAL STATEMENTS**

We have audited the financial statements of Cancer Research Initiatives Foundation, which comprise the balance sheet as at 31 December 2009, and the income and expenditure statement, statement of changes in general fund and cash flow statement for the financial year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 4 to 14.

Trustees' Responsibility for the Financial Statements

The Trustees of the Foundation are responsible for the preparation and fair presentation of these financial statements in accordance with MASB Approved Accounting Standards in Malaysia for Private Entities and the Companies Act, 1965. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements have been properly drawn up in accordance with MASB Approved Accounting Standards in Malaysia for Private Entities and the Companies Act, 1965 so as to give a true and fair view of the financial position of the Foundation as of 31 December 2009 and of its financial performance and cash flows for the year then ended.
